

Location Context and History

In person lessons at The Music Lab take place at 1140 Halston Ave. We are located in a blue warehouse in the same unit as Interior Display Services. The warehouse has a wonderful new owner and we are very proud to be part of the group of businesses working to revitalize this space. We share the warehouse space with other small/creative businesses like Interior Display Services, Faultless Function, DriveHub and the Kamloops Makerspace.

Since moving into the space we have been working hard to clean it up. The entrance to the unit sometimes looks like a work in progress - because it is! Please don't mind any of the renovation bits left as you work your way to the studio. And if you ever have any issues please don't hesitate to let me know.
